## Design Change of Flexible Shaft Coupling, Disk Type, MHW-C/MHS-C

Dear Valued Customer,

We hope you are doing well and appreciate your constant business support of NBK.  
The flexible couplings - Disk type listed in the [NBK Catalog 2017] will be changed as follows.  
Thank you for your understanding.

### [ Target Products ]

Product Name	Applicable Sizes	NBK Catalog 2017 Listed Page
Flexible Couplings Disk Type	MHW-C/MHS-C Series, All Sizes	p.93 to p.96

### [ Information About Changes ]

The color will be changed from silver to black for the purpose of identifying the parts.  
Product performance and pricing will not change due to these changes.

	Before Change	After Change
Surface Treatment	No	Stainless Steel Black
Appearance (For MHS)	Collar Section Enlarged	
		

**[ Change Effective Period ]**

Starting with products shipped on April 1, 2021 (Thursday)

Please do not hesitate to contact us at [info.us@nbk1560.com](mailto:info.us@nbk1560.com), if you have any questions.

Sincerely yours,

Hiroki Goto
