## Notice on Discontinuation of Anti-Loosening Service Coating Agent SG-161

Dear Valued Customer,

We hope you are doing well and appreciate your constant business support of NBK.

Our Anti-Loosening Service SG-161 is to be discontinued.

We are choosing an alternative locking agent and will update you once it's decided.

Thanks for your understanding during this process.

### [Discontinued Part Numbers]

Anti-Loosening Service SG-161

### [Planned Discontinuation Date]

Through orders placed by September 21\*

\*Although you make a purchase before the discontinuation date, we might be unable to complete your order depending on the available quantity.

Sincerely yours,

Hiroki Goto
