

Notice of Specification Change for Display Mounting Systems “DKB-Series”

Dear Valued Customer,

We hope you are doing well and appreciate your continued support of NBK.
Please be informed of the following specification changes to the DKB Series of our display mounting systems.

Your understanding and continued support of our products are greatly appreciated.

Applicable Products:

Products	Series
Keyboard Mounting System - Single Axis Type	DKBR-AF
	DKBR-AA
	DKBR-PB
Keyboard Mounting System - Fix Type	DKB
	DKB-AA
	DKB-PB

Details of the Change:

Due to a review of the manufacturing process, the material of the keyboard holder and clamp will be changed.

Optimization of molding conditions has resulted in a slight change to the draft angle, causing minor differences in appearance.

However, this change does not affect the product’s function or performance.

	Before	After
Material	AC4C	Aluminum Die Cast

Appearance (Keyboard Holder)		

Change Effective Period:

The change will be made sequentially as soon as the stock of the current specification product runs out. Please note that returns or exchanges related to this specification change will not be accepted.

If you have any questions, please contact our sales office in charge of your area.
Thank you for your understanding and cooperation.
