

● Material/Finish

	NQTBS-N
Main Body	Equivalent to SUS630
Hex Nut	Equivalent to SUS304

Part Number	D	L	M (Fine) Nominal of Thread	Pitch	L1	d1	d2	G	L2	B	T	C	Applicable Plate Thickness	Applicable Quick Clamp Fastener	Mass (g)

- Dedicated cam base for mounting Quick Clamp Fasteners **NQTS** **NQTS-NI** **NQTS-F** **NQTS-F-NI** to sheet metal.
- The clamp part is tapered, making it easy to insert the Quick Clamp Fastener clamp pin.
- Made of stainless steel. It has excellent corrosion resistance.

- Mounting
Align the phase of the Quick Clamp Fastener **NQTS** **NQTS-NI** **NQTS-F** **NQTS-F-NI** clamp pin and the **NQTBS-N** pin mounting hole for mounting.
The **NQTBS-N** pin mounting hole orientation is determined by the pin hole machining position in the mounting plate side.

Part Number	D	d4	h	G	Lc	d3
NQTBS-5-N	25	15	3.5	10.5	3	2.2
NQTBS-8-N	32	21	3.5	13	3	2.2

● Part Number Specification

NQTBS-8-N
