

SRHSET-ALK Hex Socket Set Screws (with Pin) with Nylon Patch

Vibration resistant treatment

Tamper Resistance

Material/Finish

	SRHSET-ALK
Main Body	Steel Ferrosoferric Oxide Film (Black)
Nylon Patch	Nylon 11

Application

Equipment/devices disassembly/tampering prevention
Theft prevention for outdoor facilities
Security measures
Safety measures
Screw return and fallout prevented

- Setscrews with a pin at the center of the hex socket.
- With nylon patch.
- The friction of the nylon adhered to the thread suppresses the return rotation of the thread.
- Even if the tightening force is lost, the return rotation is suppressed, preventing the screws from falling off.
- The heat resistant temperature of the nylon patch is 120°C.
- This prevents mounting and removing with regular tools.
- Install and remove with **SRH** Dedicated Wrench or **SRHB** Dedicated Bit and **SRD** Dedicated Magnetic Screwdriver together.

Unit : mm
