

SRTFS-SET

Two - Hole Flat Head Machine Screws and Rosette Washer Set

Tamper Resistance

SUS Stainless steel

● Material/Finish

RoHS

SRTFS-SET	
Main Body	Equivalent to SUS304
Rosette Washer	SUS303
Strength Class	Equivalent to A2-50

- Set of two-hole flat head machine screws [SRTFS] and rosette washers [SWAS-RW].
- Countersinking is not required.
- This prevents mounting and removing with regular tools. Also, since use as a set with rosette washers makes it difficult to grasp the screw directly with a tool and rotate it, theft prevention is improved.
- Install and remove with [SRTB] Dedicated Bits and [SRD] Dedicated Magnetic Screwdriver together.
- The simple head design is also suitable for decoration.

● Application

Equipment/devices disassembly/tampering prevention
 Theft prevention for outdoor facilities
 Security measures
 Safety measures
